**NOTE:** Serious raw material shortages affecting most our major supplier Sapadilla & Live for Tomorrow

Also note that Sapadilla has been sold yet again to another company in the US and have **discontinued both their bottled/bulk laundry liquid**. Sapadilla has been out of their other items

Like their popular dish and hand soap - no new orders for Canada from Sapadilla for dish and hand until March/April assuming they do not change their prices/shipping etc. Check back on that for more details.

New Products coming in by late February. To help with the raw material shortages and price increases, we will be taking on some of our own production of hand soaps.

Plus have a few producers in mind laundry refillable soaps as Sapadilla has discontinued their laundry liquid. Check back soon for more details.

2023 Price effect increase after the new year includes most Carina Organics bulk
